MODEL Hydra RF Module

RADIO nRF24 · CC1101 · AutoBand

FITS Cardputer ADV · Bruce

SET UP

Prepare SD

Remove the **SD card** and **format it** before flashing.

One-Click Flash

Use the **QR below** to flash **Bruce** and write the **Hydra brucepins config**.

If Flash Fails

Flash again, or use the **GitHub tutorial** for manual brucepins setup.

Install Hydra RF

Insert the **Hydra RF module** after setup is complete.

Use Hydra RF

Open **Bruce RF tools** and start using Hydra RF.

One-Click Flash & Config
